LANE AND ROAD CLOSURE NOTIFICATION – WEEK OF FEBRUARY 13

INTERSTATE 10 WIDENING PROJECT WILL REQUIRE INTERMITTENT CLOSURES ON LOCAL STREETS IN REDLANDS

During the week of February 13, the Interstate 10 freeway widening project in Redlands will require the following lane and road closures on local streets:

- **Sixth Street – Full closure, February 14 – 17**
Bridge work will require a full closure. Motorists will be detoured to Orange Street via Colton Avenue and Redlands Blvd.
- **Church Street – Shoulder closure, February 13 – 17**
Pile driving work along Church Street will require a shoulder closure. Pedestrians will be moved routed to the opposite side of the street and should follow all posted signs and cross the street only at designated intersections. No lane closures will be required for motorists.
- **University Street – Lane closure, February 14 – 17**
Bridge work will require a lane closure. Work will be allowed only during off-peak hours from 9 a.m. to 2 p.m. During the closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be available on one side of the street. Pedestrians should follow all posted signs and cross the street only at designated crosswalks.
- **Citrus Avenue – Lane closures, February 13 – 17**
Pile driving work along Citrus will require lane closures. During the work, one eastbound lane and one westbound lane will be closed. Pedestrians will be routed to the opposite side of the street and should follow all posted signs and cross the street only at designated intersections. During the closure at least one travel lane will be maintained in each direction.
- **Cypress Avenue – Shoulder Closure, February 13 – 17**
Pile driving work along Cypress will require a shoulder closure. Pedestrians will be routed to the opposite side of the street and should follow all posted signs and cross the street only at designated intersections. No lane closures will be required for motorists.

Please follow posted signs and drive carefully through the construction area. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the San Bernardino Associated Governments website at www.sanbag.ca.gov.

SANBAG appreciates your patience during this freeway widening project.
